HGH Tryout and Coaching Selection Policy

After the evaluation and selection of all the players for the appropriate levels within the HGH program, Head Coaches will be selected by the Coaching Committee. To be a coach or assistant can be very rewarding and some of our best coaches did not play high school or college hockey, but have developed within our system. We always need your help on the ice! Criteria for selection as a coach include the following:

Personal integrity and leadership	Communication skills	Hockey knowledge
Skating Skill knowledge	Availability	Enthusiasm
Organizational skills	Teaching and coaching experience	

Head Coach selection will occur after the tryouts to ensure that the evaluation and selection of the players remains objective and impartial throughout the process. The Coaching Committee may also assign an Assistant Coach to partner with the Head Coach. The Head Coach will then be responsible for choosing an additional Assistant Coach and team manager. All coaching selections will need to be approved by the Coaching Committee.
